 White

ST. TROPEZ
 100% ELS Cotton, 220 TC
 Percale
 White

Available Items:
 Flat sheets, fitted sheets, duvet covers, pillowcases and shams.

**SATEEN vs.
 PERCALE**

A **Percale** weave is a substantially denser than a sateen weave, giving it a crisp, classic feel.

A **Sateen** weave is known for its super-soft quality that wears well over time.

CUSTOMIZATION

Giving a one-of-kind presentation to bed linens helps create an extraordinary experience for guests.

Ask about unique linen choices, customization options and special finishing.
